

Periods are Unpredictable

# SHOW YOU CARE

SCHOOLS | OFFICES | AIRPORTS | VENUES | RESTAURANTS

Standard dispenser

No one should have to leave the stall or ask for help when their period starts.

## PADS ON A ROLL™

Egal pads can be placed in every restroom stall next to the toilet paper - where they are needed the most.

Egal dispenser

Vending machines don't work! \$300-\$600 each

# 86%

LESS PACKAGING than vended solutions

**Everyone** has been caught without a pad or tampon away from home

**92%** have found vending machines jammed, broken or empty

**1 in 5 girls** have missed school due to lack of access to period products

**Over 20 states** have mandated for free period products in all public schools.

## Egal = Equal

Periods are a natural occurrence that require a hygienic solution in every restroom.

## Economical

No need for expensive, unreliable vending machines. **Costs about \$5 per user annually**

## Ecological

Each roll holds 40 pads and reduces packaging volume by **86%** compared to vended solutions.

## Easy

The pads dispense and refill just like toilet paper.

## Effective

Each pad is thin, comfortable, and highly absorbent.

Here for you.™
