FAQ

Q. Why is the product necessary?

A. Regular cleaning, disinfecting and sanitizing are all critical routines to maintain a safe working environment. Handyclean Steridol Wipes do it all with one wipe.

Q. How does this product work?

A. Our new powerful quaternary cleaning formula with unique active ingredients is bactericidal, virucidal and fungicidal. EPA-approved and proven effective against killing 99.9% of microorganisms tested.

Q. Does this product contain excessively harsh chemicals?

A. These wipes are free from alcohol, solvents and bleach.

Q. Can this be used as a baby wipe?

A. No. Please do not use Steridol as a baby wipe or a personal washing cloth.

Q. How do I use this wipe?

A. Just wipe and toss, allowing the treated surface to remain wet and then thoroughly dry prior to use. Refer to the product label for complete instructions.
