

HANDYCLEAN RINSE-FREE SANITIZING WIPES

**Rinse-Free Sanitizing Wipes in Resealable Soft Pack.
Food Contact Surface Safe & Kills 99.9% of Bacteria that can Cause Foodborne Illness**

Food contact surfaces must be cleaned and thoroughly rinsed and then sanitized prior to each work day and then again after use. These towelettes do all that with a few easy swipes. Our rinse-free sanitizing wipe eliminates the need for dirty rags and constant ringing into dirty water bucket. No mixing. No spilling. Minimum training necessary. Sanitize to kill up to 99.9% of bacteria that can cause foodborne illness.

- Kills Human Coronavirus
- Rinse-free quaternary formula
- Easy to store and use resealable soft pack
- Food contact surface safe
